

IPNS19-8 Assistant Professor

Job No.	IPNS19-8
Title	Assistant Professor
Number to be admitted	3 persons
Inst/Lab	Institute of Particle and Nuclear Studies
Term	Up to 3 years, with the contract to be renewed in each Japanese fiscal year, which is subject to the expected performance
Start of the term	As early as possible after April 1 st , 2020
Appl. Deadline	Open until filled. The first deadline to reach KEK is at noon on Friday February 7, 2020 (JST). Applications later than that will be processed only when the three positions are not totally filled by the first applications.

Job Description

The successful candidate belongs to the Belle II group and carries out the on-site operation and the planned upgrade of the Belle II data acquisition and online systems as well as required developments of monitoring and diagnostic tools. The person will be dedicated to realizing long-term, stable and efficient operation of the Belle II central data acquisition and online systems.

Qualification

Applicants must have good skills in data acquisition systems for large-scale experiments, and must demonstrate capabilities for carrying out the described job.

Method of Selection

After reviewing the submitted application documents (see below), applicants may be called for an interview.

The date of the interview will be announced through the web when it is determined, and will also be separately communicated to the applicants who will be interviewed.

Salary

Salary and allowances are determined according to the KEK rules.

Base annual salary: 6390000 yen

Supplementary allowance for commuting and housing when appropriate conditions are satisfied.

Social insurance (fraternal insurance, employment insurance, industrial injury insurance) is included in addition to the above.
